RE: Contaminated Sites Laboratory Approval **17-003**

Dear Ms. Ellingson,

Thank you for submitting an application to the Alaska Department of Environmental Conservation's Contaminated Sites Laboratory Approval Program (CS-LAP), on November 7, 2019. Based on your lab's National Environmental Laboratory Accreditation Program (NELAP) approval through the State of Utah Environmental Laboratory Certification Program (UT ELCP) and Department of Defense Environmental Laboratory Accreditation Program (DoD-ELAP) approval through Perry Johnson Laboratory Accreditation, Inc. (PJLA), ALS Environmental - Fort Collins, located at the above address, is granted **Approved** status to perform the analyses listed in the attached *Scope of Approval*, for Alaska contaminated sites projects, including underground storage tanks and leaking underground storage tank sites (UST/LUST), under the July 1, 2017 amendments to 18 AAC 78. This approval is effective November 8, 2019, and expires on **February 4, 2021**.

Be aware that **any** changes in your NELAP or DoD-ELAP approval status must be reported to the CS program within 3 business days. Failure to do so will result in revocation of **all** CS-LAP approvals for a period of one year. Notification should be in writing sent to [cs.lab.cert@alaska.gov](mailto:cs.lab.cert@alaska.gov). We recommend also contacting the CS-LAP by telephone to verify that the message was received.

Please remember to include the laboratory's ID number, listed above, on all correspondence concerning the laboratory. To apply for renewal of your approval, please complete the application found on the CS-LAP webpage and submit to [cs.submittals@alaska.gov](mailto:cs.submittals@alaska.gov). The required documentation must be submitted for renewal no later than 30 days before your date of expiration.

If you have any questions, please contact the CS-LAP at (907) 465-5390, or by email at [cs.lab.cert@alaska.gov](mailto:cs.lab.cert@alaska.gov). Labs are also highly encouraged to join the CS-LAP listserv by going to <http://list.state.ak.us/mailman/listinfo/cs.lab.approval>.

Respectfully,

A handwritten signature in blue ink that reads "Brian Englund".
