

CROWS NEST SHOPFRONT OPENING 21st FEBRUARY 2017

ALS is pleased to announce the opening of our new shopfront in Crows Nest to further improve access to services for our Sydney clients.

Conveniently located at Shop 2, 36 Hume Street Crows Nest NSW 2065, it is easily accessible and just a short distance from the Pacific Highway. There is ample parking for meetings and sample drop off.

ALS Crows Nest will offer the following services:

- > Sample receipt services including daily transport of samples to the ALS Smithfield laboratory.
- > Sample container and esky supply
- > Project quotations
- > A local resource for project planning and scheduling
- > Technical assistance and information

Your key contact will be Sepan Mahamad who is the Environmental Services Representative at Crows Nest. Sepan's primary responsibilities will be to provide local customer service to clients located in the Sydney region and to provide logistical support for the transportation of samples to the ALS Smithfield Laboratory.

Sepan has a Bachelor of Science degree from Macquarie University and has gained extensive experience during his 8 year career working for ALS Sydney, in the areas of client services, sample receipt / log-in, project management and laboratory duties.

The ALS Environmental Services Office in Crows Nest will act as a convenient drop off point between the hours of 11am and 5:30pm for samples requiring environmental analysis. Please feel free to contact Sepan or visit the office using the contact details below.
