ALS releases 2020 Sustainability Report

ALS Limited (ASX Code: ALQ) is proud to release its Sustainability Report for 2020. The report provides an overview of ALS's sustainability initiatives, activities and achievements over the 2020 financial year ended 31 March 2020.

Highlights from the 2020 report include:

- Safety: A further 11% reduction on our previous record low injury rate.
- Environment: A 5% reduction in our scope 2 energy intensity since 2018.
- Society: AUD 2.1 Billion economic contribution.

ALS Managing Director and CEO Raj Naran said, "I am pleased to report a solid performance across our sustainability metrics for FY2020. Our team has continued to work hard and has made significant steps towards achieving, and in some cases exceeding, our 2020 Sustainability targets. We remain committed to operating in a manner which acknowledges and proactively manages those risks and opportunities which are most material to the long-term sustainability of our business, the environment and the communities in which we operate."

ALS's 2020 Sustainability report can be downloaded at <https://www.alsglobal.com/myals/sustainability/latest-report>.

Approved for release by the Company Secretary of ALS Limited.
